

Dear Central A & M Parent,

Central A & M District is again offering on-line registration for the 2011-2012 school year. As you may have already noticed, we have had an e-pay option for paying fees, lunches etc. for several years. Instead of encountering *long lines* and taking *time from work or vacation* on Registration days August 9 & 10, we encourage you to take advantage of this feature and **register on-line** at any time after June 13<sup>th</sup>. Please follow the steps below to insure accuracy in your student(s)' demographic records. Please check each child's information by logging on to the district website at <http://www.cam.k12.il.us> and go through the STI link. You can then, proceed with registration and either pay with MasterCard or Visa (it is managed by the State of Illinois and is a secure site), or you can print the forms and mail them with a check to the district office.

- Check mailing address and phone numbers
- Contact information including address, phone and cell phone numbers
